INTERSTATE 10 WIDENING IN REDLANDS WILL REQUIRE TRUCK DETOUR IN REDLANDS, APRIL 25-28

Interstate 10 construction in Redlands will restrict all truck traffic using the eastbound off-ramp at University Street from turning left, due to falsework installation and placement, April 25-28. Truck traffic should use Citrus Avenue between University and Judson Street as a detour.

Flag persons will be stationed along the detour to control traffic during the peak hours, 7-9 am and 2-4 pm to enforce safety and direct the extra-long trucks.

All freeway ramps will remain open during the work. Please follow posted signs and drive carefully through the construction area. For more project information, call the Interstate 10 helpline at (909) 889-8611 ext 102 or visit the San Bernardino Associated Governments website at www.sanbag.ca.gov.

SANBAG appreciates your patience during this freeway widening project.
